#### VivoCare stands for:

- Western care know-how combined with Thai life and care attitude
- Person-centered-care based on the findings of Dr. Tom Kitwood adapted to local conditions
- Swiss managed and owned
- Only 100% qualified caregivers working (3:1 caregiver/guest ratio)
- Registered nurses on site
- No deposit & no minimum contract period
- Termination protection – Guarantee to stay - no matter how the health condition of guest is

\*\*\* The **VIVOfamily** care package provides 24-hour monitoring and up to 5 hours of 1:1 direct care per day. Additional costs may be applicable depending on the level of care and support required. After an evaluation period of 3 months, the care management will provide an assessment.

Care levels for increased care and support needs are **VIVOadvanced** and **VIVOintensive**.

Please discuss with our care management team which level of care is appropriate in your case.

\*\* Basis for conversion to EUR/USD/CHF is THB - Thai Baht.

**VivoCare** - committed to person-centered-care
